ELECTION UPDATE

Questions that David Icke would ask David Davis if he was not banned from his meetings

This is what David Icke has sought to ask of David Davis, the man who instigated the 'Big Brother' By-election because he said he wanted a debate on the Big Brother State. A debate on his own terms, that is, and the terms of his Neoconservative allies, and certainly not a debate on global Big Brother with David Icke.

Questions that David Icke would ask David Davis if he was not banned from his meetings

This is what David Icke has sought to ask of David Davis, the man who instigated the 'Big Brother' by-election because he said he wanted a debate on the Big Brother State. A debate on his own terms, that is, and the terms of his Neoconservative allies, and certainly not a debate on global Big Brother with David Icke.

.....

The Big Brother State is being introduced all over the world, not just in the UK. So what is the common coordinating force which is imposing the global Big Brother society? Or are you just a coincidence theorist who says it is all happening at the same time by accident?

.....

You are in favour of capitol punishment and voted for the invasion of Iraq. How do you square this with your claims to oppose Big Brother when there can be no more blatant example of Big Brother than to give the State power over life and death. And do you think that as the children and other civilians were cowering in their homes as Baghdad was pepper-bombed that they might have just thought that Big Brother had arrived?

.....

You have been strongly supported in your stand against 'Big Brother' by Ed Vaizey MP, Michael Gove MP and Colonel Tim Collins, who are all original signatories to the Statement of Principles of the Henry Jackson Society, a Neocon, or Neoconservative, 'think tank', set up in Britain in 2005 and named after the US senator, Henry 'Scoop' Jackson, one of the icons of the Neocon movement in the United States that has controlled the Bush administration since it came to power and orchestrated the invasions of Afghanistan and Iraq and the war on terror in general..

This is the very same war on terror that has been used to justify the introduction of the Big Brother Society that you now say you oppose.

International patrons of the Henry Jackson Society include Richard Perle, Douglas Feith, William Kristol, Robert Kagan and former CIA director, James Woolsey, all of whom were in the forefront of the instigation of the war on terror through their Neocon 'think tank', the Project for the New American Century, whose key members included Dick Cheney, Donald Rumsfeld and Paul Wolfowitz.

Indeed, Kristol and Kagan were co-founders of the Project for the New American Century.

The Henry Jackson Society is Britain's version of the very same Project for the New American Century. Another of the original signatories to the Henry Jackson Society is Sir Richard Dearlove who was head of MI6 at the time of the invasions of Afghanistan and Iraq and the launch of the war on terror.

You have yourself been paid to speak by the American Enterprise Institute, the sister organisation of the Project for the New American Century, and the Neocon 'think tank', the Hudson Institute.

How can you be taken seriously as an opponent of Big Brother when you are supported by, and so closely connected to, the very people and organisations that created the war on terror that is being used to justify Big Brother?

.....

Your colleague and Shadow Chancellor George Osborne came to support your Big Brother stance and yet he attended the Bilderberg meeting in Washington recently - his third - where reports say they discussed human microchipping, and the Bilderberg Group is one of the most blatant of Big Brother organisations. Why is he supporting you and why have you accepted his support given his background?

.....

Why did you invite Patrick Mercer MP to support your campaign when he has close connections to private security firms and companies that produce and sell the very Big Brother surveillance and control technology that you are complaining about?

.....

I have been warning of the coming Big Brother State in ten detailed books in the last nearly 20 years. Why will you not debate with me and why was I not even allowed to attend your public meeting with Bob Geldof last week even though I had a ticket booked?
