Why taking all the abuse and ridicule is more than worth it ...

Hi David,

I watched your free videos (Election speech). I am 83 years old and I will readily admit that I cried when viewing the latter section. I have forwarded it on to many others and hope that they wake up, because there are members of my own family who ridicule you still, without the slightest justification except what they have read in the newspapers. I am a very staunch supporter of yours and it gives me a great feeling of pride when I show people the photograph that I had taken with you at Brixton.

One thing that I would like to emphasise is look after your health and don't knock yourself out, because we need David Icke, the whole bloody world needs, DAVID ICKE.

Richard
