Bohemian Grove 2008 Guest List Revealed

'Activists from truthaction.org have obtained the official guest list for Bohemian Grove's 2008 midsummer encampment along with a map of the Grove's facilities. According to the guest list, this year's attendees include George H. W. Bush, David Rockefeller, Henry Kissinger, Donald Rumsfeld, Colin Powell and several former CIA directors.

Also attending are two members of the Grateful Dead, one of whom is camping with the elder Bush. During an action at the entrance of the elite retreat, several 9/11 truth information packs were accepted by Bohemian Grove campers and taken into the grove, including one by former CIA Director James Woolsey's bunkmate.'
