Hidden Morse Book Links Vatican To New World Order

'A book written in 1835 by Samuel Morse, called Foreign Conspiracy Against the Liberties of the United States, nails the Jesuits and the Vatican right to the wall as the main culprits behind a hidden agenda to overthrow the newly formed American Republic.

The inventor of the Morse Code and true patriot, Morse provided overwhelming facts that an attack on the liberties of America were underway by the despotic Austrian government and other European monarchies, using the Papacy through the evil and wicked hands of the Jesuit Order to organize and carry out the dirty work.'
