Researcher And Historian Claims Vatican, Jesuits And New World Order Are Destroying Philippines

'Limeta, who closely monitors the nefarious activities of the so-called God-loving Society of Jesus in the Philippines, warns Americans if the Jesuits would have their dirty hands in destroying his country, they are doing the exact same thing in America.

"I also said it many times on my written articles that no other entities in the world could parallel the diabolic works of the Jesuits," said Limeta, adding Americans are also being conned, duped and sold down the river by the cunning and deceptive Jesuits, hiding behind the cloak of the clergy and their third party governmental and business counterparts in crime.'
