### Blatant Masonic Temple Right Next To Lenin Statue

'I was driving home today and saw this huge mural with the masonic symbol and it freaked me out. I just got back from the midwest, and I saw a handful of masonic symbols, street signs, and temples all in the same area of Missouri. Imagine my surprise when I go back to Seattle and I see the biggest sign of masonic arrogance right in the middle of the most artsy fartsy area of the supposedly liberal and freedom-loving Emerald City.'
