Holocaust Conditioning

'For many (or some) of us that were subject to intensive Holocaust conditioning as kids in American public schools, we saw films of hundreds and thousands of piled bodies from old WWII footage a few times a year - year in, year out. We were told they were Jews that had been murdered, gassed mostly, by the Nazis. I recall seeing my first one of these films in the early 1970's when I was about nine or ten years old.'
