Royals and nobles believe in Dragon genes?

'Good evening, your majesty ...'

'On the Stewart's / European Council of Princes' website you can see how the European Council of Princes, The Order of St. John of Jersusalem, The Sovereign Military Order of Malta, the Ordo Draconis, Freemasonry, the Knights Hospitaller, and the Knights Templar are all intertwined with each other. A lot of people might have already read about this, but the fact that it's all published on an official website is quite extraordinary.'
