Their World Is In Your Head

' "The Luciferian Principal is the art of concealing darkness in light, war in peace, and finally bondage in liberation from self restraint. In this way, people are seduced into embracing their own destroyer" - Eliezer.'

There is some truth in this article in that the Tavistock mind manipulators certainly use the New Age and its concepts to trick people into cul-de-sacs of the mind where they are no threat to the established order. But throwing out babies with the bathwater takes us nowhere either.
