### How Does Talmudic Law Affect America

'The First Ten Amendments to the U.S. Constitution are called the U.S. Bill of Rights. The law expressly forbids the establishment of a state church. This is the only legal rule of law in the United States. The original Bill of Rights is a one page document. Any literate second-grader can read it.

The Jewish-Egyptian Talmud is enormous, it includes mysticism and unwritten, hidden texts, and much of the discourse about it is only written in Hebrew and practiced in Egyptian secret ceremonies that worship the Light Being.'
