WHAT IS THIS CARNAGE REALLY ALL ABOUT ... ?

THE STORY THAT SO VERY FEW PEOPLE HAVE THE RESEARCH OR THE GUTS TO TELL

By David Icke

www.davidicke.com/headlines

I want to continue where I left off last week because after seven more days of constant propoganda over what is now a full blown war in the Middle East some balance and background is desperately required here.

We keep being told that the conflict was started by Hezbollah in Lebanon and Hamas in the Gaza Strip when a total of three Israeli soldiers were kidnapped. Bullshit. What is happening is the latest outbreak of hostilities that began when the Rothschild dynasty targeted what was then Arab Palestine to be what it called a 'Homeland for the Jews'.

The Rothschild cabal could not care less about Jews. To them they are a means to an end of global control. The first leader of Israel, David Ben-Gurion, summed up this mind set when he said:

'If I knew that it was possible to save all the children of Germany by transporting them to England, and only half by transferring them to the Land of Israel, I would choose the latter, for before us lies not only the numbers of these children but the historical reckoning of the people of Israel.' (Quoted on pp 855-56 in Shabtai Teveth's Ben-Gurion)

David Ben-Gurion - sick man

The 'Jewish homeland' was from the start a Rothschild fiefdom orchestrated through a global secret society network of interbreeding families known as the Illuminati. The goal of these families is domination of the planet through a world government dictatorship, a world army and a micro-chipped population, as I have been detailing in my books all these years.

This week the Israeli writer, Barry Chamish, told of a meeting with Evelyn Rothschild's grandson, who abandoned the family to be a Mormon. Chamish said he learned that just seven families are enjoying the 'fruits of the war'. The grandson had said of the Rothschilds: 'They created Israel as their personal toy. It makes them richer and gives them more control. It's not going to be destroyed.'

The Rothschilds funded the early European settlers in Israel, manipulated events in Germany that led to the horrific treatment of Jewish people and others, and then used that as the excuse to reach their long-term goal - a Rothschild-Illuminati stronghold in Palestine using the Jewish population as fodder to be used and abused as necessary. They called their plan 'Zionism'. This term is often used as a synonym for Jewish people when it is actually a political movement devised and promoted through the House of Rothschild and opposed by many Jews.

The most visible Zionist front in the United States today are the so-called 'neo-conservatives' or 'neo-cons', that I highlighted last week in the first part of this expose.

The Rothschilds exploited as their 'justification' to seize Palestine the claim in the Old Testament that the Jews were God's Chosen People and that 'He' had gifted them the land of what was once called Israel. That's it, no more debate required. 'God' has spoken, it's in the Old Testament, and so we're moving in.

As Golda Meir, another Israeli Prime Minister, said in Le Monde in 1971: 'This country exists as the fulfillment of a promise made by God Himself. It would be ridiculous to ask it to account for its legitimacy.'

The invasion and subversion of an entire nation was based on texts in the Bible written by who knows who thousands of

years ago after the Jewish captivity in the ancient Illuminati centre of Babylon in what is now Iraq. Pinch me, it can't be true. 'Ouch', yes it is.

In fact, this nonsense is an historical fraud because the vast majority of Jewish people, those who call themselves 'Ashkenazi' Jews, have no connection to the land of Palestine/Israel at all, as courageous Jewish writers like Arthur Koestler have detailed. See his book *The Thirteenth Tribe*. The Ashkenazi come from a country once known as Khazaria in southern Russia and the Caucasus, not the land they have used the Biblical texts to lay claim to.

Those later called Ashkenazi Jews moved north over the centuries into Russia and then Western Europe and these were the people targeted by Hitler and the Nazis and exploited by the Rothschilds to populate Palestine. Koestler wrote that the official story of Jewish origins 'begins to look like the most cruel hoax history has ever perpetrated'.

Jewish writer Arthur Koestler detailed the Khazar origins of most Jewish people in his book, *The Thirteenth Tribe*. Here is a brief summary of what he revealed ...*The Story of the non-Semitic Jews* - <http://www.missionislam.com/nwo/khazars1.htm>

Jews fall into two main groups, the Ashkenazi and the Sephardic, who were once located in Spain and Portugal. Daniel Elazar at the Jerusalem Center for Public Affairs wrote that at the end of the 11th Century, 97% of Jews were Sephardic, but the ratio changed dramatically over the centuries and by 1931 Ashkenazi Jews accounted for nearly 92 per cent of world Jewry.

Today the Ashkenazim utterly dominate Israel society both in numbers and control. Jewish organizations like the Anti Defamation League (ADL) constantly target others for 'racism' when Israel is a strictly and fiercely hierarchical society based on race, even among the Jews. The Ashkenazi are at the top, of course, followed by the Sephardic, and, irony of irony, then come the Mizrahi Jews, who descend from the Jewish communities of the Middle East. At the bottom of the pile are the black Ethiopian Jews who have long complained of blatant racism. Underneath all of them come the Palestinian Arabs.

(See *Racism Inside Israel* - <http://www.globalresearch.ca/articles/BEN108A.html>; *Racism By Any Other Name* - <http://www.greenleft.org.au/back/2006/666/666p21.htm>; and *The Life of an American Jew in Racist Marxist Israel* - <http://www.biblebelievers.org.au/israel.htm>)

Ethiopian Jews in Israel are bottom of the social pile - except for the Palestinians, naturally. This Internet article described one expression of this racist Israeli structure - income distribution:

'Israeli society is further fragmented by ethnic class and religious inequality. In general terms, Arab citizens are the lowest paid, and have seen a decline in their position over the period 1990 to 2001. Mizrahi Jews (Jews of African or Asian descent) have seen a small improvement, whilst Ashkenazi Jews (Jews of European or North American descent) are the highest paid, and have seen a 10 percent rise in their pay. In 2001, Ashkenazi Jews received on average one and a half times the income of Mizrahi Jews and twice that of Arabs.'

It is time that Zionist racism and apartheid was exposed to balance the endless claims of racism and 'anti-Semitism' that come the other way through Illuminati fronts like the ADL and many others that have been set up to brand as racist anyone who challenges the Zionist agenda.

In truth, Ashkenazi Jews are not even a Semitic people - it is the Arabs and minority Jewish people who are the Semites. Not that it should matter what they are, the human body is just a potential vehicle for the Infinite Consciousness that we all are. But such labels are used by these people to suppress debate so we need to balance the propaganda.

The lands of the Semitic peoples. Why aren't we told that being 'anti-Semitic' overwhelmingly means 'anti-Arab'??

So imagine if all this happened in your country. There you are peacefully getting on with your life and getting along well enough with the small numbers of Jewish people who live in your communities - just as the Palestinian people were. Then, American and European governments decree that your land, where your ancestors have lived for thousands of years, belongs to someone else and millions of Jewish people from all over the world descend upon your country.

Even worse, they don't want to just live among you - they want to take complete control of everything and turn you into

serfs and slaves. How would you react? How would anyone react in the face of this?

David Ben-Gurion reads the declaration of independence on May 14th 1948 which claimed Palestine as a Jewish state

The Palestinians were supposed to just lie down and accept this staggering injustice and if they didn't they were 'terrorists'. What the world seems to have forgotten, and they will certainly not be reminded by the mainstream media or even most of the 'alternative' media, is that it was through terrorism that Israel was imposed upon the incumbent Arab population.

This is the story.

The idea that a Jewish homeland in Israel was the result of what happened in Nazi Germany is ridiculous. That was the justification used at the time by the Rothschilds amid the wave of - understandable - public sympathy. But the planning and manipulation began long before in the 19th and early 20th centuries through the Rothschilds and their gofers like Chaim Weizmann. British Prime Minister and Foreign Secretary, Viscount Palmerston, was a close Rothschild family associate and patriarch of European Freemasonry. He mixed with all the major Illuminati names of his era. As early as 1840, he wrote:

'There exists at the present time among the Jews dispersed over Europe a strong notion that the time is approaching when their nation is to return to Palestine. It would be of manifest importance to the Sultan to encourage the Jews to return and settle in Palestine because the wealth that they would bring with them would increase the resources of the Sultan's dominions, and the Jewish people if returning under the sanction and protection at the invitation of the Sultan would be a check upon any future evil designs of Egypt or its neighbours. I wish to instruct your Excellency strongly to recommend to the Turkish government to hold out every just encouragement to the Jews of Europe to return to Palestine.'

More bullshit. Palmerston was pushing the Rothschild-Illuminati agenda and he knew it.

Chaim Azriel Weizmann who worked for the Rothschilds to prepare the way for a Jewish state in Arab Palestine. He was President of the World Zionist Organization and the first President of Israel.

The Rothschild/Illuminati-manipulated First World War led to the 'Balfour Declaration' in 1917 when the British Foreign Secretary, Lord Balfour, declared his government's support for a Jewish homeland in Israel. This announcement was connected to a deal to bring the United States into the war, a scam orchestrated through President Woodrow Wilson's minders, Edward Mandel House and Bernard Baruch. Bernard Baruch. Bernard Baruch. Bernard Baruch. Both were Rothschild agents in America.

House and Baruch ...Rothschild front men and the real power in the United States in early years of the 20th century - not President Wilson

It was Lionel Walter Rothschild, 2nd Baron Rothschild, who formulated with others this British government 'declaration' in support of a Jewish homeland. What became known as the 'Balfour Declaration' was actually a letter from Balfour to Lord Rothschild. What official history does not tell you is that a major Illuminati grouping is called the Round Table and this spawned organisations like the Royal Institute of International Affairs in London and both the Council on Foreign Relations and the Trilateral Commission in the United States. Lord Balfour was an inner-circle member of the Round Table, Lord Rothschild was its funder, and the 'Balfour Declaration' was a letter between the two!

Lord Balfour and his controller, Lord Lionel Walter Rothschild. They were behind the British declaration of support for a Jewish homeland in Israel.

The Balfour Declaration promised Palestine to both the Jews and Arabs, in fact. They wanted to keep the Arabs on their side for a while because they needed them to revolt against the Turks as part of their First World War strategy. They used the man known as 'Lawrence of Arabia' to lead this campaign. However, they, and Lawrence, knew it was all a lie.

The Balfour Declaration said that 'nothing shall be done which may prejudice the civil and religious rights of the existing non-Jewish communities in Palestine'. But Rothchild sidekick Chaim Weizmann would say: 'With regard to the Arab

question - the British told us that there are several hundred thousand Negroes there but this is a matter of no consequence'. Nor have they been ever since.

After Europe had been devastated by the Rothschild-Illuminati First World War there came the Versailles 'Peace' Conference near Paris in 1919 in which reparations were imposed on the post war German government, the Weimar Republic, that were so crippling and unsustainable that they prepared the ground for Hitler and the Nazis to come to power on a platform of restoring German pride and the nation's economy.

Every one of the major 'advisors' at Versailles from Britain, France and the United States was either a Rothschild bloodline or controlled by them. These included Bernard Baruch. And guess what? They announced their official support for a Jewish homeland in Palestine.

The Hitler regime was funded by Illuminati-Rothschild agents like the Rockefellers, Harrimans and Prescott Bush, grandfather of the idiot president. This allowed the German war machine to emerge in just a few years from the ashes of economic collapse. What followed was the Second World War, the concentration camps, and the Illuminati-Rothschild use of these horrors to secure their long-held goal - a foothold in the Middle East to advance their plans far into the future.

The lands that the Rothschilds and their agents wished to occupy were populated at the time by the Arabs or Palestinians, but there was always going to be but one fate for them. Former Israel Prime Minister, Yitzhak Rabin, said in an uncensored version of his memoirs, published in the New York Times on 23 October 23rd, 1979:

'We walked outside, Ben-Gurion accompanying us. Allon repeated his question - What is to be done with the Palestinian population?' Ben-Gurion waved his hand in a gesture which said "Drive them out!"

And that's what they did.

Zionist terrorism in the war to create the State of Israel. Remind you of anywhere?

The Arabs were driven out of power or consequence in their own land by Zionist terrorist groups like Hagana, Irgun and the Stern Gang (also known as Lehi) who bombed and assassinated Arabs, fellow Jews and the British administrators who had control over Palestine under a mandate from the League of Nations and the Versailles Peace Conference. 'Palestine' was then the region we now call Israel, Jordan, the West Bank and Gaza Strip, formerly belonging to the Ottoman Empire.

This Zionist terrorism led to the imposition of the Jewish state in 1948 when 750,000 or more Arabic people were expelled from their own land. Among the major players in these and other terrorist operations were Menachem Begin, Yitzhak Shamir and Ariel Sharon, butchers who became Israeli Prime Ministers and had the nerve to condemn Arab terrorism.

Begin and Shamir ... terrorists who became Prime Ministers of Israel and condemned terrorism!

The Stern Gang was named by the British after its first commander, Avraham Stern, who later formed his own group, Irgun Zvai Leumi be-Yisrael (National Military Organization in Israel). An Internet article describes the motivation:

'... Stern believed that the Jewish population should focus its efforts on fighting the British rather than supporting them in World War II; and that forceful methods were an effective means to achieve those goals. He differentiated between "enemies of the Jewish people" (e.g., the British) and "Jew haters", (e.g., the Nazis), believing that the former needed to be defeated, and the latter neutralized. To this end, he initiated contact with Nazi authorities offering an alliance with Germany in return for transferring Europe's Jews to Palestine and the establishment of a Jewish state therein.'

This has always been the true motivation of these manipulators and they have treated Jewish people as a whole as cattle to be exploited at will to this end.

Irgun ... a terrorist organisation that helped to spawn Israel

Irgun, led by later Prime Minister, Menachem Begin, was responsible for the bombing of the British headquarters at the King David Hotel in Jerusalem. It killed 91 Britons, Arabs and Jews, injuring many more, and this was only one of a stream of terrorist outrages and assassinations that ended in the creation of Israel. An article on the World Socialist Website, points out:

'It is not simply that Ariel Sharon and company are a bunch of hypocrites or political amnesiacs about the past. More importantly, the Irgun, led by Menachem Begin, the Stern Group and Lehi, its successor, went on to form the Herut party, forerunner of the Likud party, and the ultra right-wing Moledet party, which form the main coalition partners of Sharon's government.

The gang of former generals, ultra-nationalists and religious bigots that run Israel today are the political heirs of terrorists who furthermore had close connections with the fascists. In this, they mirrored some of the Arab nationalists in Palestine, Egypt and Iraq who allied themselves with Germany in order to rid themselves of British imperialism. These alliances led to a virtual civil war between the various wings of the Zionist movement during World War II.'

This is what people need urgently to realise. To challenge Israel is not to condemn Jewish people as a whole. It is to expose the fact that they are fodder in a game most do not begin to understand - a game controlled from the start by a leadership made up of terrorists. When we understand this, past and present events start to make far more sense.

Kissinger with Golda Meir

Henry Kissinger, a war criminal of astonishing proportions, was United States National Security Advisor and Secretary of State from 1969 to 1977 and responsible for the death and suffering of extraordinary numbers of people around the world. But his prime role was to represent the interests of Israel and the Illuminati plan for the Middle East that I will describe shortly. Especially after the emergence of Kissinger, the Illuminati-Israel grip on American foreign and domestic policy began to tighten ever more obviously.

The Illuminati/Israel nexus has spent decades taking over the government structure of the United States to ensure that (a) Israel has become the recipient of ONE THIRD of all US aid; (b) that it is funded to the tune of billions a year by the US to finance its military spending and build up; and (c) that the United States government pursues a foreign policy of unbelievable bias towards Israel and against the surrounding Arab states.

The pathetic statements about Lebanon by Bush that blamed Hezbollah for everything, supported the mass murder of civilians, sorry 'Israel's right to defend itself', and showing no desire to secure a ceasefire, are typical of how Israel controls the US government through the Illuminati network. So is the mantra of 'Iran and Syria are to blame'. These are both on the Illuminati hit list and they need an excuse to target them.

As I pointed out in detail last week, the Bush administration is dominated by supporters of Israel through the Project for the New American Century, the American Enterprise Institute, the Jewish Institute for National Security Affairs (JINSA) and the American Israel Public Affairs Committee (AIPAC), one of the top lobby groups in Washington. Joel Beinin, a contributing editor of Middle East Report and a professor of Middle East history at Stanford University, says that the AIPAC ...:

'... became a significant force in shaping public opinion and US Middle East policy after the 1967 Arab-Israeli war. Its power was simultaneously enabled and enhanced by Israel's emergence as a regional surrogate for US military power in the Middle East in the terms outlined by the 1969 Nixon Doctrine'. (In other words, the Kissinger Doctrine).

An AIPAC foreign policy associate in Jerusalem told CNSNews.com that in one month alone some 10% of the members of the U.S. House of Representatives had visited Israel on tours it had arranged. CBS News also reported in 2004 that an FBI investigation had found evidence that a senior Pentagon analyst with close ties to neo-con Deputy Defense Secretary Paul Wolfowitz and neo-con Undersecretary of Defense Douglas Feith had provided a draft presidential directive on Iran to the AIPAC that was then passed to the Israeli government.

Add to all this the Zionist control through ownership and personnel of much of the mainstream media and you have a network that gives the Arabic peoples no chance whatsoever of justice and understanding and the public no chance of being told the truth.

Wolf Blitzer, who leads the CNN team covering the Middle East conflict, is a Jewish former employee of the American Israel Public Affairs Committee. How can that be seen to be fair? How many Arabic anchors are covering the conflict for CNN? Exactly.

So to current events and their true significance.

It is claimed that everything started with the kidnapping of the Israeli soldiers, but we need to go back at least to June 9th when Israel shelled a beach in Gaza killing eight Palestinians and injuring 32 civilians, including 13 children. The dead included seven members of one family. The Israeli government offered its 'deep regret', but this outrage was no accident. It was part of the process of instigating a reaction so that what has happened since could unfold.

On June 13th, an Israeli plane fired at a vehicle on a busy Gaza road and when civilians hurried to help the injured another missile was fired into the crowd. Eleven Palestinians died, including two medical staff and two children.

Come on, the Israeli government was saying - retaliate. We have the gun clocked, we're ready to go, and we just need you to give us the excuse to pull the trigger.

A photograph released by the Israeli army shows an Israeli navy vessel shelling a beach in the northern Gaza Strip on June 9th 2006

Huda Ghalya screaming alongside the body of her father after the Israeli attack. Huda lost seven members of her family - across three generations - on that Gaza beach. Here's the video if you can stomach it. The Israeli government will have no problem - <http://www.informationclearinghouse.info/article13593.htm>. And Israel has the nerve to talk about the terrorism of others.

If Arab people had done the same they would have been called terrorists, the pimps of the 'world community' would have been red-faced in their condemnation, and Israel's American-funded military would have done what have these past ten days.

The outrageous double-standards are just sickening. I saw some former Israel military commander this week saying how terrible it was that Israeli children had to be sitting in bomb shelters in Haifa when, as she spoke those words, children were being killed by Israeli bombs in Lebanon.

But then Israeli Prime Minister and terrorist, Menachem Begin, told the Israeli parliament that Palestinians 'are beasts walking on two legs' and another Prime Minister and terrorist, Yitzhak Shamir, said in a speech to Jewish settlers that the Palestinians 'would be crushed like grasshoppers ... heads smashed against the boulders and walls'. ('Begin and the 'Beasts', New Statesman, June 25, 1982, and Yitzhak Shamir quoted in the New York Times April 1st, 1988). That is what they really think.

What a way to bring up your children ... Israeli kids writing messages on the bombs waiting to be fired at Lebanese civilians and children just like them ...

... But then God is on their side ...

... Message received ...

Have no illusions here, Arabs and the rest of the world's peoples, are seen as inferior beings - little more than vermin - to the extremist fanatics who buy the nonsensical baloney of a 'God's Chosen People'. It was the neo-con Israel fanatic John Bolton, the 'US' (Illuminati/Israel) Ambassador to the UN, who said this week that there was a 'moral' difference between the deaths of Israeli civilians and those of Lebanese people in the conflict.

'I think it would be a mistake to ascribe moral equivalence to civilians who die as the direct result of malicious terrorist acts,' he said, and those caused by Israel's 'self-defense'. Behind that statement is the racism that has long been at the heart of American and Israeli policy. But then why shouldn't Israel and its supporters be racist to others when their very state is based on apartheid and racism on a mega scale?

Bolton, like Bush and Secretary of State Rice, sing for their supper at the American Israel Public Affairs Committee.

'What should we do next, oh masters?'

'We must say Syria and Iran are to blame, and it is too early to have a ceasefire so Israel can go on killing the innocent for as long as it wants?'

'Alright, anything you say.'

The creation of Israel was never an end in itself. It has always been a means to an end. All along, the plan has been to target the Islamic world to trigger a global war that would set the world ablaze and lead to the 'solution' of centralised control of the planet and all its peoples. To do that they needed to create a point of conflict, a power keg, among the Arab countries that could be exploded to start another global conflict. This is the real reason for the creation of Israel and the real reason why the United States has spent its billions building up Israel's might and military.

Albert Pike, a Sovereign Grand Commander of the Scottish Rite of Freemasonry and Illuminati to the core, is alleged to have written a letter in 1871 to an infamous Illuminati operative, Guiseppe Mazzini, in which he outlined the three world wars that would lead to global domination.

The first war, he is supposed to have written, would overthrow the Czars in Russia through a conflict between the British and Germanic Empires; and the second would lead to political Zionism being strong enough to install a sovereign state of Israel in Palestine. Now there are many who say the letter never existed, but what is interesting, in the light of current events, is what he is supposed to have said about World War Three:

'The Third World War must be fomented by taking advantage of the differences caused by the "agentur" of the "Illuminati" between the political Zionists and the leaders of the Islamic World. The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other. Meanwhile, the other nations, once more divided on this issue, will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion ...We shall unleash the Nihilists and the atheists, and we shall provoke a formidable social cataclysm which in all its horror will show clearly to the nations the effect of absolute atheism, origin of savagery and of the most bloody turmoil.

Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries, will exterminate those destroyers of civilization, and the multitude, disillusioned with Christianity, whose deistic spirits will from that moment be without compass or direction, anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view. This manifestation will result from the general reactionary movement which will follow the destruction of Christianity and atheism, both conquered and exterminated at the same time.'

Source: Cmdr. William Guy Carr, former Intelligence Officer in the Royal Canadian Navy, quoted in Satan: Prince of This World.

If Pike did not write that, then the faker was some prophet. The Illuminati agenda all along has been to create so much war, conflict and upheaval of every kind that the people agree to be ruled by a centralised global dictatorship to 'solve the problems' these perceived 'saviours' have actually created. It is the technique I have dubbed Problem-Reaction-Solution. You covertly create the problem and then overtly offer the solution ... the change you want to impose on the world.

The plan has always been to use Israel as the spark to explode the Middle East into war, which would then drag in more and more countries and lead to a conflict with China. North Korea is part of this, also. One of the reasons the rest of the Arab world has been so restrained over events in Lebanon is that they know the game plan and are terrified of the consequences for them.

It seems that the terrorist-turn-Prime Minister-terrorist, Ariel Sharon, was pursuing policies that did not suit the needs of the agenda. So he took his leave - stage far right -after his massive induced stroke to be replaced by his 'friend' Ehud Olmert and the truly appalling Shimon Peres who now front up the devastation and mass murder in Lebanon and Gaza.

Sharon: You were just a sad pawn, mate. Peres: no words would suffice.

This is the historical background, the falling dominoes, that have led to what is happening today with hundreds of Lebanese killed, more than half a million made refugees, and missiles killing and maiming Israelis who are manipulated and programmed by their own sick government to believe the Big Lie.

Of course, Arab terrorism is equally wrong. Violence just begets violence, only peace begets peace. Every kidnapping, death and injury is a personal and family tragedy and none is more or less important than any other. The sight of the Hezbollah leader, Hassan Nasrallah, calling two Arab children in Israel killed by Hezbollah rockets 'martyrs for Palestine' was gut-wrenching. There are idiots and terrorist fanatics on both sides and I have no illusions about the suppression of freedom in Syria or Iran either. It is a case of seeing the big picture in which the monstrous game is being played out and putting the Arab response into its historical context.

It is time for all of us to come together, Arab, Jew, Gentile, whatever name you give yourself. The labels don't matter; they are but diversions, illusions. We are ALL one infinite consciousness caught in a crazy computer game believing it to be real.

What do most Israelis, Arabs, Jews, Gentiles, Chinese, whoever, really want? They want peace and love and harmony in their lives. So let us grasp that together. It is what unites us, this desire for peace, love and freedom. It crosses the delusions of the religious and racial divide. Why should we go on allowing the crazies to deny it to us?

How do we change the world from hatred and war to peace and love?

We must be peaceful and loving and cease to cooperate with the forces of hatred and war.

They can only control us and dictate to us with our cooperation because they are the few and we are the many. We are the power on this planet if only we realised that and expressed it with a passion. The dark eyes and dark suits can only have power through divide and rule. They want us to fight among ourselves, only then can these pathetic people have their wicked way.

As Gandhi said: 'We must be the change we want to see in the world.'

Truer words never spoken.

'I'm ready, what about you?'

There is no path to peace. Peace is the path' - Mahatma Gandhi

SECRETS OF THE MATRIX -

THE LATEST DVD/VIDEO BY DAVID ICKE

Since 1990 David Icke has been on an amazing journey of self and collective discovery to establish the real power behind apparently 'random' world events like 9/11 and the 'war on terrorism'. Here he reveals that a network of interbreeding bloodlines manipulating through their web of interconnecting secret societies have been pursuing an agenda for thousands of years to impose a global centralised fascist state with total control and surveillance of the population.

Over six hours with hundreds of illustrations, David Icke reveals the illusion that is life in this 'physical' reality. How is this 'world' - a provable illusion - just a lucid dream? How do we create it and how can we change the dream to one that we would like to experience?

[WHAT IS REALLY GOING ON IN LEBANON - BY THE HOUR](#)

'It will be called the massacre of Marwaheen. All the civilians killed by the Israelis had been ordered to abandon their homes in the border village by the Israelis themselves a few hours earlier. Leave, they were told by loudspeaker; and leave they did, 20 of them in a convoy of civilian cars. That's when the Israeli jets arrived to bomb them, killing 20 Lebanese, at least nine of them children. The local fire brigade could not put out the fires as they all burned alive in the inferno. Another "terrorist" target had been eliminated.

Yesterday, the Israelis even produced more "terrorist" targets - petrol stations in the Bekaa Valley all the way up to the frontier city of Hermel in northern Lebanon and another series of bridges on one of the few escape routes to Damascus, this time between Chtaura and the border village of Masnaa. Lebanon, as usual, was paying the price for the Hizbollah-Israeli conflict - as Hizbollah no doubt calculated they would when they crossed the Israeli frontier on Wednesday and captured two Israeli soldiers close to Marwaheen.'

Not for the faint of heart

The myth that Israel wants peace (the government, not the people) and the United States is an unbiased broker

- Israel is the largest recipient of US foreign aid, receiving over one-third of total US aid despite being home to just .001% of the global population and having one of the highest per capita incomes in the world.

- Since 1949 the US has given Israel a total of \$84,854,827,200. The interest costs born by US taxpayers on behalf of Israel are \$49,937,000,000 - making the total amount of aid given to Israel since 1949 more than \$134 billion.

- The total cost of this financial aid to US tax payers per Israeli is \$23,240.

- For the 2005 fiscal year, Israel received \$357 million in Economic Support Funds (ESF), \$2.202 billion in Foreign Military Financing (FMF), and \$50 million in migration settlement assistance.

- For 2006, the Administration has requested \$240 million in economic support and \$2.28 billion in military support .

- House and Senate measures also add \$40 million for the settlement of migrants from the former Soviet Union and take note of Israel's plan to bring remaining Ethiopian Jews to Israel in three years.

- Israeli press reported that Israel is requesting some \$2.25 billion in special aid in a mix of grants and loan guarantees over four years, with one-third to be used to relocate military bases from the Gaza Strip to Israel.

- To help Israel out of its economic slump, the U.S. provided \$9 billion in loan guarantees over three years, use of which has since been extended to 2008.

We hear all the time that 'Iran arms Hezbollah', but when are we told that 'America arms Israel'?

Talking of arms supplies:

-
Israel is ranked fourth among the world's arms suppliers.

-
Israel is reportedly China's second major arms supplier, after Russia.

Israel's Endgame

'The Internet is flooded with a plethora of misleading "timelines" surrounding the current crisis in the Middle East. You can't turn on the television without being force-fed the lie that the crisis began when Israel was "attacked on two fronts", i.e. when a number of their soldiers were "kidnapped", or in more sensible terms, captured under the laws of war. Indeed, the current crisis takes on a completely different shape when we take our minds away from Western consumerism for two minutes, and think back to the shelling of a Gazan beach just a couple of weeks ago - an attack which killed thirteen Palestinians and directly influenced Hamas' decision to retaliate against Tel Aviv.

Whether by independent decision or Israeli design (using their plentiful people inside Hamas), Corporal Gilad Shalit disappeared. In a similarly convenient incident, two more Judaic foot soldiers were "kidnapped" by Hezbollah on the border with Lebanon, fuelling the madness we now see on our television screens.'

CNN's Lou Dobbs Breaks Ranks

'While the United States provides about \$2.5 billion in military and economic aid to Israel each year, U.S. aid to Lebanon amounts to no more than \$40 million. This despite the fact that the per capita GDP of Israel is among the highest in the world at \$24,600, nearly four times as high as Lebanon's GDP per capita of \$6,200.

Lebanon's lack of wealth is matched by the Palestinians - three out of every four Palestinians live below the poverty line. Yet the vast majority of our giving in the region flows to Israel. This kind of geopolitical inconsistency and shortsightedness has contributed to the Arab-Israeli conflict that the Western world seems content to allow to perpetuate endlessly.'

Watch your back, Lou.

Zionism In Their Own Words

'If I knew that it was possible to save all the children of Germany by transporting them to England, and only half by transferring them to the Land of Israel, I would choose the latter, for before us lies not only the numbers of these children but the historical reckoning of the people of Israel.'

-- David Ben-Gurion (Quoted on pp 855-56 in Shabtai Teveth's Ben-Gurion in a slightly different translation).

'This country exists as the fulfillment of a promise made by God Himself. It would be ridiculous to ask it to account for its legitimacy.'

-- Golda Meir, Le Monde, 15 October 1971

'We walked outside, Ben-Gurion accompanying us. Allon repeated his question, What is to be done with the Palestinian population?' Ben-Gurion waved his hand in a gesture which said 'Drive them out!'

-- Yitzhak Rabin, leaked censored version of Rabin memoirs, published in the New York Times, 23 October 1979.

'[The Palestinians] are beasts walking on two legs.'

-- Israeli Prime Minister Menachem Begin, speech to the Knesset, quoted in Amnon Kapeliouk, "Begin and the 'Beasts,'" New Statesman, June 25, 1982.

'(The Palestinians) would be crushed like grasshoppers ... heads smashed against the boulders and walls.'

-- Israeli Prime Minister (at the time) Yitzhak Shamir in a speech to Jewish settlers, New York Times April 1, 1988

'If we thought that instead of 200 Palestinian fatalities, 2,000 dead would put an end to the fighting at a stroke, we would use much more force....'

-- Israeli Prime Minister Ehud Barak, quoted in Associated Press, November 16, 2000.

'It is the duty of Israeli leaders to explain to public opinion, clearly and courageously, a certain number of facts that are forgotten with time. The first of these is that there is no Zionism, colonialization, or Jewish State without the eviction of the Arabs and the expropriation of their lands.'

-- Ariel Sharon, Israeli Foreign Minister, addressing a meeting of militants from the extreme right-wing Tsomet Party, Agence France Presse, November 15, 1998.

'Everybody has to move, run and grab as many (Palestinian) hilltops as they can to enlarge the (Jewish) settlements because everything we take now will stay ours...Everything we don't grab will go to them.'

-- Ariel Sharon, Israeli Foreign Minister, addressing a meeting of the Tsomet Party, Agence France Presse, Nov. 15, 1998.

'Israel may have the right to put others on trial, but certainly no one has the right to put the Jewish people and the State of Israel on trial.'

-- Israeli Prime Minister Ariel Sharon, 25 March, 2001 quoted in BBC News Online

Israeli military is using poison gas on villages in south Lebanon, says weapons expert

'According to a former U.S. weapons expert who served in Iraq, the artillery shell in a photo taken in Lebanon (below) is a chemical weapon delivery device. It is being handled by an Israeli Defense Force soldier and Hebrew lettering can be clearly seen on the armored vehicle. Another chemical weapons shell of the same type can be seen lying on the ground to the right. It is not known what type of chemical is in the chemical canister, however, gas dropped by the Israelis in

villages in southern Lebanon has resulted in severe vomiting among the civilian population.

Media commentators have scoffed that Israel, with its relatively unique history, would ever use chemical weapons or poison gas in any war. It is precisely because of that perception that they are using such weapons. The deniability factor prevents the media from taking seriously the credible reports of banned weapons being used by the Israelis.'

'Thou Shalt Not Criticize The State Of Israel'

'The "Prime Directive" has been slavishly obeyed over many decades by America's Major "News" Media, Congresses (Democrats and Republicans), White Houses - and "Christian"-Zionist zealots (who outwardly claim to be followers of the "Prince of Peace" - but support any warfare and slaughter they naively think might benefit their cherished "State of Israel"). With members of America's major media is the real threat that: "Those who foolishly dare criticize Israel swiftly lose their jobs."

More than 500 Israelis protest against raids in Lebanon and Gaza

As usual, those who protest against violence are violently treated

'More than 500 left-wing activists gathered in central Tel Aviv on Sunday to protest the escalating violence in Lebanon and the Israel Defense Forces' continued offensive in the Gaza Strip. Police forces blocked the protesters when they arrived at the site of the demonstration, and detained three people for questioning. The protesters called the IDF's operations an unnecessary war, and demanded that the government hold negotiations on a prisoner exchange.'

A 'Christian leader' calls for more support for Israel and says American evangelicals must provide cover for Israel in the case of a pre-emptive attack on Iran.

'I agree ...'

'Present at Rev. Hagee's "Washington/Israel Summit" will be Israel's former Minister of Defense, Lt. Gen. Moshe Yaalon, Israeli Ambassador Daniel Ayalon, and the Republican National Committee Chairman Ken Mehlman, along with Republican Senators Sam Brownback and Rick Santorum and the Rev. Jerry Falwell and Gary Bauer.

Hagee ... bomb 'em for Jesus

The American Israel Public Affairs Committee, the most powerful lobby in Washington, expressed its thanks to Rev. Hagee for demonstrating "the depth and breadth of American support" for Israel. Recently, AIPAC has been under investigation as a suspected nest for Israeli spies.

David Brog, former chief of staff for Republican Senator Arlen Specter, has gone to work for Rev. Hagee. Brog, who is Jewish, says he works for Hagee's evangelical enterprise because "we're bringing into a pro-Israel camp millions of Christians who love Israel and giving them a political voice. Israel's enemies are our enemies, and this group instinctively understands that." Brog goes on to say that Hagee's evangelicals understand that they are not supposed to talk about Jesus, only about saving Israel: "Christians who work with Jews in supporting Israel realize how sensitive we are in talking about Jesus. They realize it will interfere with what they are trying to do."
