FEMA National 'Exercise' 2009

'National Level Exercise 2009 (NLE 09) is scheduled for July 27 through July 31, 2009. NLE 09 will be the first major exercise conducted by the United States government that will focus exclusively on terrorism prevention and protection, as opposed to incident response and recovery.

NLE 09 is a White House directed, Congressionally- mandated exercise that includes the participation of all appropriate federal department and agency senior officials, their deputies, staff and key operational elements. In addition, broad regional participation of state, tribal, local, and private sector is anticipated. This year the United States welcomes the participation of Australia, Canada, Mexico and the United Kingdom in NLE 09.'
