US Naval Academy Grads Disarmed to Protect Obama

The 'Commander-in-Chief' required that all

Naval officers in his presence be disarmed.

'Obama's protectors have ordered graduating Midshipmen...and I suppose Commissioned Officers through Flag rank...to leave their swords at home. Full Dress White includes "wear sword". More to the point - those badges of office have been earned in a manner Obama and his minions just wouldn't begin to understand. Important traditions that inspire are kind of lost on the red banner crowd, apparently.'
