Ban Police Use of Tasers

'The video released of police officers punching and Taser-ing a man lying on the ground speaks for itself. Once you give a weapon like this to the British police it will be used and abused as a weapon of punishment and torture. It seems only a matter of time before one of the hot-headed thugs – that now seem to constitute the majority of officers on the street – kills someone who is "resisting arrest", like this man in Nottingham.'
