

## Hillary Clinton calls for 'internationalist' foreign policy

Wednesday, 01 November 2006

Hillary Clinton - the wanna-be next president - calls for 'internationalist' foreign policy

Hillary Clinton reading the script to the Illuminati's Council on Foreign Relations

'Clinton blasted what she said was the Bush administration's "simplistic division of the world into good and evil. They refuse to talk to anyone on the evil side ..."

Well they talk to her, don't they?
