Freemasonry - It's Roots & Links to the Occult

'Few men understand what they are getting into when they become Masons. Most Masons join because they trust friends, family members, or church members who invite them. Others join for business connections or political votes. Some men join because of masonic charities. The Eastern Star is an auxiliary organization for wives and adult daughters of Masons. There are also masonic organizations for children -- DeMolay (for boys), Job's Daughters, and Rainbow Girls. As a result, they are under the spiritual authority of Freemasonry.'
