Neo-Cons: Make Bush Dictator Of The World

'If you thought Stu Bykovsky's call for a new 9/11 was the lowest the Neo-Cons could sink, think again. A right-wing foundation with links to Dick Cheney has called for Bush to be made lifetime president, ruler of the world, and for Iraq to be ethnically cleansed of Arabs by means of a nuclear holocaust.

he Family Security Matters organization masquerades as an independent "think tank" yet was highly influential in President Bush's re-election in 2004 and has links to top Neo-Con ideologues.'
